I've shared a document with you called "Negotiate":

<http://spreadsheets.google.com/ccc?key=pl958hhN-OvZf1K54yGvTXw&inv=faatali@hotmail.com&t=4063879413690634217&guest>

It's not an attachment -- it's stored online at Google Docs. To open this document, just click the link above.

Please answer on the prices and items listed.

I apologize for the delay -- I was required to travel recently.

I agree with your final terms and will contact you via the cell provided to discuss the transfer. I have received your software package and instructions for transfer.
